Re: ____________________________________

Dear Parents / Guardians:

The Title 1 program is a federally funded program that provides extra help in reading and/or math for students who need it. This support system is designed to provide additional help to children in small groups entirely in the classroom by qualified Educational Technicians, side by side with the classroom teachers. All Title I students receive their regular programming in math and reading with their classroom teacher.

This year your child has been selected to participate in this program because of his/her current assessment results, screenings and the recommendation of the teacher.

Title 1 students receive a separate quarterly progress report as part of the report card and teachers will explain the Title 1 progress at Parent/Teacher Conferences.

☐ Your child qualifies for Title 1 Math

☐ Your child qualifies for Title 1 Reading

For further information please reference Policy KBF, NCLB report card, and other Title I information on the schools website at www.sad1.org. Copies available upon request. If you have any questions, please do call your child’s classroom teacher for further information.

Sincerely,

Loretta Clark
Principal
Students Name: __________________________________________

☐ Yes I want my child to receive Title I services.

☐ No I do not want my child to receive Title I services.

Parent/Guardian Signature: __________________________________________
