

Johnson Athletic Complex

Presque Isle High School was recently recognized as one of Maine's most high performing and financially efficient high schools.

MSAD #1 spends less than the state and national averages to educate our children, yet students are consistently competitive with testing averages on state and national levels.

Our "Chinese Initiative" includes three Chinese International High Schools using Presque Isle High School curriculum. In addition, six students from Beijing are attending PIHS.

MSAD #1 Summer Feeding Program is Maine's second largest serving 650 meals a day at 13 sites.

MSAD #1's Bus Garage is one of the largest in Maine servicing 41 Presque Isle buses and 25 buses from surrounding school districts.
