May 23, 2022

Dear Students, Parents, and Staff,

MSAD 1 recently received COVID-19 antigen testing kits for each student and staff member from the Maine Department of Education and Department of Health and Human Services. Testing kits will be sent home with students later this week or early next week. Each kit contains 3 boxes with 2 COVID antigen tests in each box. These free antigen tests are intended to be used when individuals are displaying symptoms of COVID-19.

Please contact MSAD 1 Health Services Director, Lisa McKenna at mckennal@sad1.org with any questions regarding the antigen test kits.

Best wishes and good health during the final stretch of the 2021-2022 school year.

Sincerely,

Ben Greenlaw
Superintendent
